

EXPORT / SEAWORTHY PACKAGING

All SAB profiles are packed with wooden wreaths as standard. If desired, we can supply a special export packaging or a “seaworthy” packaging for profile plates. Additional costs apply due to extra packaging time and materials.

Export packaging

All profile plates:

- Extra wood wreaths at 1,87 m
- Double planks/beams at 3,70 m
- Extra protect the ends of the package with wood.

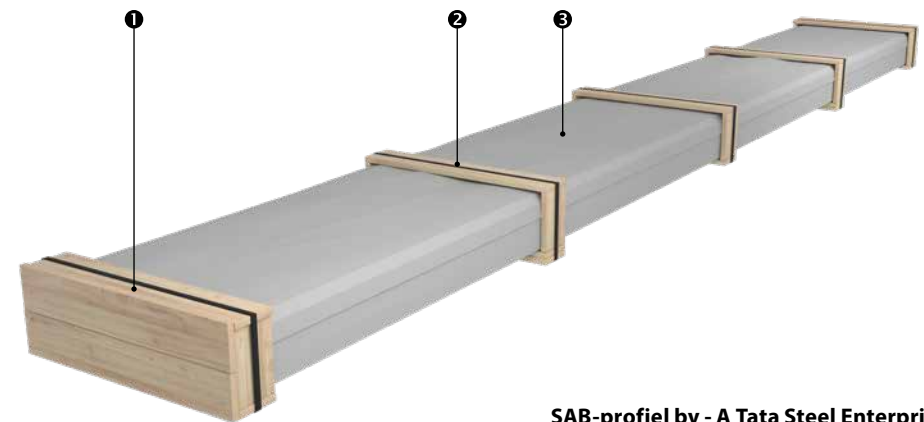

Corrugated sheets and low profiles even more:

- Protect the edges of the package with steel corner lines.
- If the color is on the bottom of the package, there will be an additional protective plate under the package with a sticker (“Protective plate, Do not mount”).

Seaworthy packaging

- Packing as export packaging
- Wrapping with water-repellent paper

- 1) Wood protection at the ends of the package
- 2) Extra wood wreaths
- 3) Packing wrapped with water-repellent paper (just for seaworthy packaging)
